

## CONSTRUCTION NOTIFICATION UPDATE

Washington Gas Project: Strip 1 West on Leesburg Pike (Route 7) in Fairfax County, Virginia  
PHASE 3: FAULKNER DR to BARON CAMERON AVE - COLVIN RUN ROAD CLOSURE AND DETOUR

- As of August 17, 2020 -

Dear Neighbor,

At Washington Gas, safety is our highest priority as we continue reliably meeting the energy needs of our customers. Today, clean-burning natural gas is the fuel of choice for more than nine out of ten new homebuyers in the Washington, D.C., metropolitan area, and Washington Gas serves more than 1.2 million customers through the region. As the region continues to grow, rehabilitation of our existing infrastructure is critical to maintain a safe and reliable natural gas system.

To support the Virginia Department of Transportation (VDOT) Route 7 Corridor Project and minimize public impact, Washington Gas is coordinating with VDOT to replace existing infrastructure along Leesburg Pike (Route 7) in Fairfax County, Virginia. This very important project is just one of many infrastructure improvements being made across the region.

### PHASE 3: FAULKNER DRIVE TO BARON CAMERON AVENUE COLVIN RUN ROAD CLOSURE AND DETOUR

Colvin Run Road between Leesburg Pike (Route 7) and Van Patten Lane will be closed for approximately 5 weeks starting as early as August 24, 2020. Construction schedules may be affected by weather and other unforeseen circumstances. Any necessary construction advisories will be posted to the project website.

#### How Might This Affect My Commute?

During the Colvin Run Road closure, please observe all traffic control signage and follow detours signage. A detour map is attached. Access to residents will be maintained.

#### What Can I Expect During Construction?

You can expect to see Washington Gas and contractor vehicles and equipment, the work area well illuminated, and you may hear construction noise. For your safety, do not enter construction areas or approach vehicles or equipment.

We strive to make every reasonable effort to minimize disturbance in your community. If you have questions or need additional information about this project, please visit [www.washingtongas.com/strip1west](http://www.washingtongas.com/strip1west) or contact me, Monday through Friday, during normal business hours. **Project reference number: SPID39-P3**

Thank you for your patience as our construction crews perform this important work in your community.
