ABOUT OUR RATES

On December 11, 2018, the Maryland Public Service Commission approved new rates for Washington Gas Light Company (“Washington Gas” or “Company”), effective for service rendered on and after December 11, 2018. The Company had filed an application to increase rates on May 15, 2018.

COMPARISONS OF CURRENT AND APPROVED CHARGES

Unless otherwise noted, the comparisons of current and approved charges below apply to “firm customers,” which are those who receive continuous natural gas service, without interruption, except in the event of an emergency.
