

FUELING ENERGY SAVINGS FOR MARYLAND HOMES WITH REBATES

MARYLAND EXISTING HOME PROGRAM

**Washington
Gas**

A WGL Company

The Existing Home Program is available to help Maryland Washington Gas residential customers who own an existing home, condo, townhome or multifamily property to reduce their energy use and save money on utility bills. As part of the program, rebates are available to serve as incentives to upgrade to new, high-efficiency natural gas equipment.

ELIGIBLE EQUIPMENT	ITEM & EFFICIENCY REQUIREMENT	REBATE
Furnace Tier 1	ENERGY STAR, less than 225 Mbtuh, greater than or equal to 92% AFUE	\$300
