

WGL SUPPLIER DIVERSITY PROGRAM

Washington Gas' Supplier Diversity Program plays a vital role in our ability to achieve excellence for all of our stakeholders and the communities we serve. In honoring our commitment to supplier diversity, we have developed initiatives that serve to expand and build upon relationships with diverse suppliers as well as increase their opportunities for growth and enhancement.

STRIVE FOR 35 FUND

Facilitated through our strategic partner, Prince George's Financial Services Corporation First (FSC First), the Strive for 35 Fund provides **lending opportunities** for diverse-owned Maryland-based suppliers who are interested in working in the natural gas industry. This creates an opportunity for Washington Gas to offer a solution for what is often considered a barrier, securing working capital for diverse suppliers.
