A WGL Company

HEAT WATER FASTER AND SAVE MONEY WITH NATURAL GAS

Upgrading to a new high-efficiency natural gas water heater is one of the best ways to decrease energy usage and to help save money on utility bills. Natural gas water heaters are more efficient than ever, using less gas to heat water than older models.

Rinnai[®]
TANKLESS WATER HEATERS

**Save up to \$100 on
select tankless water heater models.**

Save now with this exclusive offer until June 30, 2019.
