

GLOBAL EXPRESS AUTHORIZED PAYMENT LOCATIONS

Washington Gas has partnered with Global Express Financial Services ("Global Express") to provide authorized payment locations for customers to pay their natural gas bills.

As the authorized walk-in payment provider for Washington Gas, Global Express will accept *cash-only payments* for Washington Gas bills at more than 300 authorized payment locations in the District of Columbia, Maryland and Virginia. Global Express will accept payments for both residential and commercial natural gas accounts.

For your convenience, **13 of these locations are "fee free,"** including four in the District of Columbia, four in Maryland and five in Virginia. Only at these "fee free" locations will customers not be charged a convenience fee to make cash payments on their Washington Gas account.

Global Express is the only authorized walk-in payment provider for Washington Gas. When making a payment, the customer should ask the agent to use the Global Express system to take their Washington Gas payment. Washington Gas can only verify walk-in payments made through the Global Express system or at a Washington Gas walk-in office. Payments made through other walk-in payment services cannot be verified in real-time.
