

HOME ENERGY PROFILE KIT TERMS AND CONDITIONS

Washington Gas is not responsible for any damage, alteration or modification to property resulting from the installation, use or removal of any of the items included in the Energy Kit. Washington Gas will not be held liable for any action or outcome from the violating, voiding or cancellation of rental terms or agreements as a result of the installation, use or removal of any of the items included in the Energy Kit.

RENTAL DISCLAIMER:

Contact your landlord, property manager or review your rental lease/agreement prior to installing any of the items included in the Energy Kit. The installation of these items may be considered an alteration or modification to property which may also be considered a violation to the terms of a rental lease/agreement.

DO NOT install any item in this Energy Kit without the approval of your landlord or property manager.

EmPOWER Maryland programs are funded by a charge on your energy bill. EmPOWER programs can help you reduce your energy consumption and save you money.
